JUMPING

Schedules

For clarification purposes, the Jumping Schedules have been updated (new FEI address, updated links, etc). All changes have been highlighted in yellow. We would appreciate it if the National Federations could use the updated schedules for their next submissions. The updated schedules can be found here.

FEI Children's International Classics

The deadline for submission of dates for the qualifying rounds of the FEI Children’s Classics was 14 February. We have not yet received all applications and have therefore extended the date to 28 February. The participation form can be found here.

For any questions please contact Anna Williams.
