2013 Eventing Rules

The FEI Bureau has approved the Eventing Committee's proposal to update (fine-tune) the athletes' qualification and categorisation Eventing Rules Article 519 & 520 with immediate implementation.

The request to update this principle was motivated by issues identified following its practical implementation over the past two months and further to discussions with interested NFs and the Event Riders Association (ERA).

The 2013 Eventing Rules were approved by the General Assembly with the possibility of updating the rules should it be necessary.
