According to article 106 GRs, the FEI Bureau decides on the final allocation of FEI-Named Events, in principle during its spring meeting (the exact date is confirmed by the FEI on a yearly basis).

Allocation Time

The Allocation Time is as follows:

- FEI World Equestrian Games™: five (5) years prior to the Event;
- FEI World Cup™ Finals Jumping, Dressage, Eventing, Driving and Vaulting, FEI Continental Championships for Seniors (in all disciplines) and FEI World Championships in Driving, Endurance, Vaulting and Reining: three (3) years prior to the Event;
- Other FEI Championships will be allocated two (2) years prior to the Event.

Deadline for Applications

National Federations must apply no later than **1 December** of the year preceding the allocation by the FEI Bureau of the relevant FEI-Named Event (or any other date as may be decided by the FEI Secretary General).

Example: If you wish to apply for the FEI European Eventing Championship for Young Riders 2016, the allocation by the FEI Bureau will take place, in principle, during its meeting in spring 2014, so you must send your application to the FEI by **1 December 2013 at the latest**.
