FEI SPORTS FORUM 2017

Supporting documents and additional information now available

We are pleased to inform you that the FEI Sports Forum 2017 platform on inside.fei.org, has been updated with supporting documents for certain **SESSIONS** as well as more detailed information on the panellists.

We would like to take this opportunity to clarify once again any misunderstanding around the session on CSI/CSIO Requirements. The letter circulated by the FEI on 20 December was a proposal submitted by the Alliance of Jumping Organisers (AJO) to the Jumping Committee as a starting point for discussion and was in no way a reflection of the FEI's position. All stakeholders and interested parties were also invited to make

proposals on this subject and you will find in the **SESSIONS** section the supporting document with all the input received to date.

The FEI Sports Forum and all the relevant documentation **is open to all** and we invite the NFs, associate members and other stakeholders to consult the documents and share them with the Sports Forum delegates and any other interested parties as widely as possible prior to the event.

We are also pleased to announce that representatives from the FEI World Equestrian Games™ 2018 Organising Committee, FEI IT and FEI Solidarity will be present at the FEI Sports Forum and available to answer any questions you may have. More information can be found in the **INFORMATION STANDS** section.

We are really looking forward to welcoming the global equestrian community to Lausanne for yet another important edition of the FEI Sports Forum. Please remember that the **deadline for registration is 20 March**. All the practical information regarding registration, travel, accommodation and timetable is also available online **here**.

Should you be unable to attend, we would like to remind you that all the sessions will be **livestreamed** on **inside.fei.org** and the **FEI YouTube channel** where you will also be able to ask your questions in the comments section which an FEI moderator will then put to the panellists during the Q&A session, time and relevance permitting. For more information simply click on **WATCH LIVE**.

If you have any questions or would like to share with us your feedback, please feel free to email us at **feisportsforum@fei.org**.
