2014 FEI Elections & Appointments Application Process

FEI President - Submissions of applications

The deadline for the submission of FEI Presidential candidacies is **1 September 2014** (23:59 CEST).

In line with the FEI Nominations procedures, Presidential candidates are requested to send to the FEI Secretary General the following documents:

- A letter of motivation from the candidate
- A completed FEI Curriculum Vitae (CV) form, signed off by the candidate's National Federation (NF).

The names of the Presidential candidates will be communicated on 2 September 2014.

The FEI Nominations Committee will vet the applications received during their meeting in Lausanne (SUI) on 11 September 2014.

Thereafter, Presidential candidates will be notified on information in connection with the election process (i.e. deadline for submission of campaign documents for publication on FEI's NF extranet, forum organised during the 2014 GA, order of election during the GA, etc.).

Bureau and Standing & Technical Committees

In order to align the application process submission period for positions on the FEI Bureau, FEI Standing Committees & Technical Committees, the deadline for receipt of applications has also been extended to **1 September 2014** (23h.59 CEST).

Applications files (i.e. letter of motivation from the candidate and completed FEI CV form

by the NF) must be received by the Director of Governance & Executive Affairs (Sabrina.zeender@fei.org) by the date mentioned above.

Clarification for the positions of 1st Vice President & 2nd Vice President

1st Vice President

As the 1st Vice President **must** be chosen from the pool of FEI voting Bureau Members (FEI Statutes art. 24.7) and these persons CVs have already been vetted by the FEI Nominations Committee, FEI voting Bureau Members are not required to submit an application file for the position of 1st Vice-President.

However, should an NF of a Bureau member **not** wish to support their Bureau Member's potential election as 1st Vice President, the NF must communicate this information to the FEI Secretary General by **1 September 2014** (23:59 CEST). After this date all voting members of the Bureau still in office at the FEI General Assembly where the election takes place and newly elected Bureau Members (elected during the 2014 FEI General Assembly) will be considered by the FEI as potential candidates for the position of 1st Vice President.

2nd Vice President

Candidates for this position may **not** be from a NF that belongs to FEI Regional Groups I, II or IV **if** the 1st Vice President belongs to one of the aforementioned Groups.

Should the candidate for 2nd Vice President be a voting Bureau Member the same application procedure as for the position of 1st Vice President shall apply. (Please note that non-voting Bureau Members may not hold the position of 2nd Vice President).

If the candidate is not a Bureau Member he/she will **submit** the **application file** (letter of motivation and duly filled in FEI CV form) to the Chair of the FEI Nominations Committee, **during** the **FEI General Assembly** in Baku (AZE) on 14 December 2014 (at the latest) where the Chair of the Nominations Committee will vet the applications accordingly.

NFs **ONLY** can access full information [here](#).

FEI GENERAL ASSEMBLY 2014

Change of venue

In order to avoid holding the presidential election in the country of a potential candidate, the FEI Bureau changed the venue for the FEI General Assembly 2014 from Dubai (UAE) to Baku (AZE).

The dates for the General Assembly, 11-14 December, remain unchanged.

The election of the FEI President by the General Assembly will take place on 14 December.
