JUMPING

Entry Viewer

The FEI IT Department and the FEI Jumping Department would like to introduce a new tool to help you follow the FEI Jumping Invitation Rules before the complete Invitation System is launched in the future.

The FEI Entry Viewer is now available on <http://ev.fei.org> and on our **FEI SportApp**.

The Entry Viewer has been designed to help all Stakeholders apply the Jumping Invitation Rules. It is a simple to use table-like display showing all athletes in the Longines Rankings and it contains all events where FEI Invitation Rules are applied under weekly tabs.

Jumping Athletes, National Federations, Organising Committee members and Jumping Officials will be able to log in with their FEI ID number and password and will be able to see:

- which athletes are entered in which events
- the status of the entries made
- the number of potential entries that can be made before a specific athlete
- the highest and lowest possible position of the athletes on the Invitation Waiting list

If you have any questions in relation to the FEI Entry Viewer, please do not hesitate to contact usersupport@fei.org.

In the meantime, the FEI is working towards developing an Online Invitation System for FEI higher level Jumping Events. This is a complex system to design in line with the FEI Jumping Rules and we hope to have this system up and running in the near future.

FEI DRESSAGE & PARA-EQUESTRIAN DEPARTMENT
