FEI SPORTS FORUM 2018

Five days to go!

With just a handful of days remaining prior to the start of the FEI Sports Forum 2018 in Lausanne, we wanted to make sure you know where to find everything you need to know about this edition and where you can tune in should you be unable to attend in person.

Session information on Inside FEI

We have a really dynamic programme for the two days with youth related themes occupying most of day one (Monday 26 March), athlete welfare crossing over both days, followed by Eventing Risk Management, updates and conclusions from the Officials and Dressage Judges Working Groups and a presentation on management of horses in hot weather from industry experts on day two (Monday 27 March). There is a dedicated page per session with summaries, information on guest speakers and supporting documents on **Inside FEI**.

Watch live and on replay

All the sessions will be live streamed on **Inside FEI** and will also be available on replay. Make sure you tune in!
