ENDURANCE

FEI World Championships for Young Horses - Valeggio Sul Mincio (ITA) 26-29.09.2013

The FEI has received a number of requests regarding the application of the FEI Championship Qualification (as defined in the 2013 FEI Rules for Endurance) at this year's Young Horse Championship, which will take place in Italy in September.

The FEI, in consultation with the FEI Endurance Technical Committee, confirms that for this Championship only, the qualification required in previous years will remain valid for 2013. All horses and athletes must have the required *Status for a 120km 2* Event.

This procedure is in line with previous situations where rules have changed during a Championship qualification period.

The Championship in 2014 will require the Championship Qualification, which will be published after the next Committee meeting, scheduled for June 2013.

You can find the updated version of the 2013 FEI World Championships Qualification for Young Horses [here](#).

The FEI UPDATE and supporting documents are available on the [FEI UPDATE Library](#) on the FEI website.
