## **DRESSAGE / PARA-EQUESTRIAN DRESSAGE**

### **Education System for FEI Stewards**

Following the introduction in 2012 of the Education System for FEI Stewards, including criteria for maintaining their status, we would like to remind those Stewards not having attended a Refresher Seminar in the past three years in their respective disciplines to do so as soon as possible.

The Stewards also need to ensure they have enough officiating over the past three years as per the Education system. Stewards without sufficient activity in their respective discipline in 2013-2015 will be removed from the list for these disciplines unless adequate action is taken to compensate for any lacks.
