### Longines FEI World Cup™ Jumping North American League

#### - Bidding process open

The FEI would like to remind all North American organisers of Jumping competitions that Longines has agreed to partner with the FEI to create a new, reformatted Longines FEI World Cup™ Jumping North American League, beginning with the 2015-2016 season. There will be seven (7) Events on the east coast and seven (7) events on the West Coast, for a total of fourteen (14) events in North America (including USA, Canada and Mexico). The organisers will be selected through a competitive bidding process in order to build a strong sports proposition that is a commercially viable League well into the future.

If you are interested in receiving the bidding document, please contact your National Federation or Frédérique Martin-Basté at the FEI, [frederique.martin-baste@fei.org](mailto:frederique.martin-baste@fei.org). The organisers' National Federations must receive all completed bid questionnaires by 15 July 2014.
