PARA-EQUESTRIAN

FEI Para-Equestrian ID Card System

National Federations are kindly reminded of the proposed rule change for Para-Equestrian Dressage & Para-Equestrian Driving according to which it is planned to eliminate the system of FEI Para-Equestrian ID Cards as of 01 January 2015. As the FEI General Assembly will only decide on the matter on 14 December 2014, this note is aiming to raise awareness about this proposed rule change so that National Federations will have a smooth transition process for the CPEDI events to be held in January 2015 (Wellington in the USA & Boneo in Australia). NFs intending to enter athletes for these events are invited to contact [Carina Mayer](#) in the FEI Para-Equestrian Dressage Department in order to receive more detailed information on the FEI's implementation strategy for the proposed rule change. Information will be published on the FEI website if the change is approved by the FEI General Assembly.

FEI Para-Equestrian Forum

The first FEI Para-Equestrian Forum will take place in Essen (GER) from 21-22 March 2015 at the "Equitana" fair. The Forum aims to further improve the transfer of

knowledge within the Para-Equestrian community and to also further increase its publicity. The detailed Forum agenda will be published in early 2015 and will include presentations, discussion rounds and practical demonstrations. Please contact **Carina Mayer** in the FEI Para-Equestrian Dressage Department for further information on participant registration and hotel reservation.

Integration of Para-Equestrian into National Federations

National Federations are invited to complete the short questionnaire available on **FEI.org** in order to give the FEI a better overview regarding the current state of integration of Para-Equestrian into the National Federations. The deadline for returning the questionnaire is 31 January 2015.

FEI HEADQUARTERS

The FEI Offices will be closed from Monday 22 December and will re-open on Monday 5 January 2015.

May the Peace and Joy of the Season be yours throughout 2014.
