PARA-EQUESTRIAN

FEI Para-Equestrian Forum in Essen (GER)

The first information package related to the FEI Para-Equestrian Forum (21 & 22 March 2015 in Essen, Germany) has been finalised and includes general information, the preliminary timetable as well as a participant registration and hotel booking form. The full set of information can be found [here](#).

The Forum aims to analyse the current status of Para-Equestrian sport and to discuss its long-term vision beyond 2016. This invitation is addressed to any person interested in contributing to the progress of international Para-Equestrian sport through an active exchange of diverse experiences, opinions and ideas.

National Federations and stakeholder groups are encouraged to share this invitation with their members. For any further questions, please contact carina.mayer@fei.org in the FEI Dressage & Para-Equestrian Dressage Department.

VETERINARY

FEI Equine Prohibited Substances List update & call for suggestions by List Group

The 2015 Equine Prohibited Substances List became effective on 1 January 2015 and is available in PDF format for download from the [FEI Clean Sport hub](#).

The review process for the 2016 List changes is now underway and details regarding this process are explained [here](#).

We invite all National Federations, veterinarians, athletes, grooms, judges or other interested parties to submit their suggestions for consideration by the List Group in preparation of the 2016 List.

Please use the [FEI Prohibited List Suggestions Form](#) and complete all fields, including information regarding the substance, its use, application and specific reasoning for inclusion or change of category as applicable.

All suggested changes should be received by caterina.termine@fei.org **no later than 13 March 2015 for consideration during 2015**.

The FEI UPDATE and supporting documents are available on the [FEI UPDATE Library](#) on the FEI website.
