VAULTING

2017 FEI Vaulting Guidelines & clarification document

Based on the changes implemented after the FEI Seminar 2017 and the first experiences with the new evaluation system of the technical test artistic score, we are releasing some clarifications and guidelines on how to score what you see within the sequences of the technical test. We therefore ask the FEI judges to follow this additional guidance but also to continue providing feedback on how these changes improve scores.

The full version of the Guidelines for Judges to the FEI Vaulting Rules can be found on [inside.fei.org](#).

If you have any questions, please do not hesitate to [contact us](#).
