Equine Herpes Virus (EHV)

Important notice to Athletes, Organising Committees and National Federations

The FEI Veterinary Department draws your attention to the ongoing outbreaks of Equine Herpes Virus (EHV).

Please find relevant information and advice related to the **Equine Herpes Virus (EHV) outbreak in western France** and also general **biosecurity information** that is applicable at all times everywhere, by clicking on the name of each document.

By following this advice you will make a very important contribution to the protection of horse health and equestrian sports.

For any further information please contact the FEI Veterinary Director, goran.akerstrom@fei.org.

*The FEI UPDATE and supporting documents are available on the **FEI UPDATE Library** on the FEI website.*
