FEI Dressage World Cup™ Western European League (WEL) - Pilot phase in London Olympia 2018

Further to the meeting held with the WEL Dressage World Cup™ Organisers and our brainstorming session in June, we are pleased to inform you that, as proposed, the OC of the CDI-W London Olympia (GBR) will conduct a pilot test for the Grand Prix, by using a shorter Grand Prix test. The aim of this pilot phase is to maintain a pacy and interesting competition on the first day, keep the audience engaged, expose emotions with direct interview of the athletes still mounted at the end of the test.

The short Grand Prix test will be published as an annex to the approved schedule of the FEI Dressage World Cup qualifiers, CDI-W London Olympia 2018.

The allocation of points system for the World Cup™ Series will remain unchanged and all rules pertaining to the FEI Dressage World Cup™ are applicable (see FEI Dressage World Cup™ Rules 2018/2019 published [here](#)).
