FEI SPORTS FORUM

The Programme of the FEI Sports Forum 2012, which will take place in Lausanne (SUI) from 30 April to 2 May, is now available on the FEI website.

The subjects to be addressed during the FEI Sports Forum concern Jumping, Veterinary-related matters, Endurance and Eventing.

On-line registration for the FEI Sports Forum starts today, 6 February, and closes on 16 March 2012.

The Sports Forum is open to the National Federations and all FEI stakeholders, including members of the media. It will give all stakeholders the opportunity to join the debate and have their say on key issues, before the proposals are put to vote at the FEI General Assembly in November 2012.

Please visit the FEI Sports Forum page on our website for detailed information.
