Workshop for NFs on their Role, Missions and Responsibilities

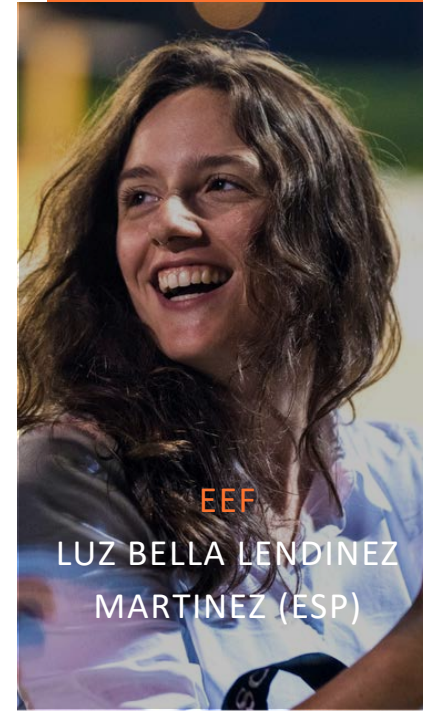

FEI GRVII NFs

Assist NFs in helping them have a better understanding of their role, missions and responsibilities. The workshop is open to NF Presidents and Secretary Generals.

The workshop will take place after the FEI GA in Abu Dhabi on 14 November with Presidents and SGs from Group VII.

Due to the major importance of the topic (NFs: Role, Missions and Responsibilities) it's seems necessary to propose Regional Workshops for Group III and VIII in 2025.

FEI Jumping World Challenge – The Final

The 2024 FEI Jumping World Challenge Final organised in Tashkent (UZB) was a tremendous success with great sport and international camaraderie bringing together Athletes from around the world in a celebration of global equestrian unity.

Twenty talented Athletes from 12 nations and four continents took part in the Final, which saw for the first time Athletes of the host nation win both the Farewell and Final competition.

The UZB National Federation organised a fantastic event both from a sport and cultural perspective. All participants had the chance to experience the incredible hospitality and heartwarming character Uzbeks are known for and will now be ambassadors of Uzbekistan around the world.
