Veterinary Delegate	FEI Official Veterinarian(s) in accordance with the Veterinary Regulations.
Veterinary Services Manager	From FEI list of Level 1 Official Veterinarians Treating Veterinarian(s), Veterinary Control Officer and/ or Course Veterinarian(s), as required
Chief Steward	L3 or L4 Eventing Steward
Assistant Steward	From FEI list <i>or National*</i> Eventing Steward

CCI4*-L competitions are pivotal in preparing athletes for higher-level events such as the Olympic Games, World Championships, and CCI5*. Competitors at this level are professionals who expect a high standard of competence and organisation.

The Eventing Committee would like to encourage National Federations and Organising Committees to appoint L4 officials for CCI4*-L competitions.

Specifically, it is recommended to appoint at least a L4 Ground Jury Member or a L4 Technical Delegate. By appointing an L4 GJ or TD, NFs and OCs ensure that FEI standards are consistently met and that fair and accurate reporting is conducted to FEI HQ. This will uphold the integrity and quality of the competition.

Additionally, appointing a L4 GJ member can serve as an educational opportunity for L3 GJ officials. By stepping up to higher responsibilities, L3 Judges gain valuable experience that contributes to their growth. When this opportunity is presented, the L4 Official need not be the PGJ

If appointing a L4 GJ Member, or TD is not feasible, it is suggest considering the appointment of an L4 Course Designer to act as a Cross Country Advisor, which might be more suitable for some Organising Committees.
