

FEI Courses for Coaches According to the FEI Coaching System Level 1 Course for Coaches

Kuala Lumpur (MAS): 22-25 May 2016
FEI Tutor: Kathy Amos Jacobs (FRA)

The Equestrian Association of Malaysia held a Level 1 Coaching Course on 22nd to 25th May 2016 at the Selangor Turf Club in Kuala Lumpur. Participants came from far and wide, with the Tutor making the Journey from France.

Kathy was a hard taskmaster, keeping the students engrossed in all the tasks from early morning till late in the evening. This course had a small number of students and therefore each and every one of them gained massively from the knowledge that Kathy shared with them.

The feedback on the course was excellent, and they wished they could have had longer to learn even more. The guinea pig riders also enjoyed the session, asking if they could do more and more, as Kathy was able to help them, while guiding the coaches.

The Equestrian Association of Malaysia is continually working on development, and being able to bring in experienced coaches like Kathy can only be a plus for the Riders and developing coaches in Malaysia.
