

FEI Courses for Coaches According to the FEI Coaching System Level 1 Course for Coaches

Taipei (TPE): 17-20 May 2016

FEI Tutor: Peter Strijbosch (NEL)

Chinese Taipei Equestrian Association hosted the FEI Level 1 national course for dressage and jumping coaches, on 17-20 May 2016, at Hannover Equestrian Club in Taipei.

The course tutor was Mr. Peter Strijbosch, a experienced trainer with more than 41 teaching experience in Dutch National Riding School in Deurne.

The Chinese Taipei NF worked closely with Mr. Strijbosch on the preparation of the course as well as throughout the course. The positive feedback from a total of 13 coaches including 12 participants and 1 observer attending the course proved to be a good collaboration between the NF and the tutor.

In addition to the original syllabus, Mr. Strijbosch also shared his knowledge on horse conformation, based on his judging experience for the studbook KWPN. The topic was well recognized as one of best lessons given by the tutor and highly recommended to be officially included in the future Level 1 coach courses.

Coaches were pleased with the course in general and thankful to have such course developed by FEI and introduced by the NF to Taiwan. The positive feedback even given by the president of TPE NF during his sit-in triggers the OC to consider the possibility for running the Level 1 coach course regularly and substitute its national B coach training.
