

Courses for National Coaches According to the FEI Coach Education Programme Level 2 Course for National Coaches

LIMA (PERU NF): September 16 – 21 2024
FEI Tutor: JAIME MORILLO (ECU)

The PERU NF (National Equestrian Sports Federation of Peru) organized the first Coaching Level 2 Course for coaches, in September, 2024, at the Club Hipico Militar in La Molina - Lima.

The Course Tutor was Mr. Jaime Morillo (ECU), a recognized FEI tutor who, due to his extensive experience and ability, developed an incredible course. The close work between our Federation and Mr. Morillo in preparing the course resulted in a very successful collaboration

with a total of 10 coaches attending the course, and 09 observers.

The general response to this course held in Peru was extremely positive.

The general regret: 6 days were short to cover all the course material in depth, however the empathy generated by Mr. Morillo allowed the objectives that had been planned to be achieved.

The trainers were enthusiastic and satisfied with the course and grateful to have someone with as much knowledge as Mr. Morillo, for which we can only thank him for his collaboration, enthusiasm, dedication and professionalism.

PERU NF hopes to be able to develop new courses in the future with the help and participation of other NNFF coaches in the region, as well as being able to access Level 3 courses in 2025.
