Goals

At the conclusion of this unit, the coach will be able to:

- Apply the techniques and skills in a range of activities appropriate to the sport and to the developmental stage of the participant for **Eventing**: (Dressage, Jumping, Cross country)
 - Preparation for 2** CCI/CICs,
 - P/J/YR Regional/Continental Championships/Games

A. DRESSAGE FOR EVENTING

Goals

At the conclusion of this unit, the coach will be able to explain and prioritize:

- Module 1: **The Paces** (working, collected, medium, extended)
 Explain the **Training Scale** and its application to Level 3 Eventing
 Identify the correct **Way of Going** of the "advanced" horse
- Module 2: The Transitions within pace and from pace to pace
 The Lateral Movements (shoulder In, travers, renvers, half pass (trot/canter)
 The Flying change of leg (....strides)
- Module 3: Prepare Horse and rider for 2** test

B. JUMPING FOR EVENTING

Goals

At the conclusion of this unit, the coach will be able to explain and prioritize:

- Module 1: Gymnastic / Canter
- Module 2: Canter Poles from trot adding three strides:
 4-5 5-5
 4-6 6-5
 4-7 7-5
 4-8

 Canter and jump to jump
- Module 3: Course (10 obstacles with triple and double / time allowed 350 m/min)

C. PRINCIPLES OF CROSS COUNTRY

Goals

At the conclusion of this unit, the coach will be able to explain and prioritize:

- (1) Control Balance (position of the rider)
- (2) Control Speed (Tempo, length of stride/rhythm).
- (3) Jumping water complexes at 2** level
- (4) Control Direction and Straightness

in varied terrains and situations at this level on the following exercises:

- walk, trot, canter on varied terrains
- banks, sunken road, jumps uphill/downhill
- Turning questions
- Narrow fences
- Ditches, water (in/out, in water)

- (5) Riding a cross country course

The Participant Horse and Rider
--

UNIT 5 - MOTIVES AND NEEDS

Goals

At the conclusion of this unit, the coach will be able to:

- Motivate participants to be and remain involved in Eventing with a view to maximising their potential and talent.
- Identify the major stages in growth and development of the participant.
- Promote positive and enjoyable experiences for participant.
- Encourage and acknowledge individual progress of the participant.
- Explain the basic factors that affect learning.
- Help to promote the confidence of the participants.
- Be aware of the importance and limitations of specialisation and competition.
- Explain different approaches required when teaching children and adults of all ages.
- Recognise the role which equestrian sport can play in the total development of the individual.
- Develop in participants the value of team work.

UNIT 6 - PHYSICAL FITNESS OF THE RIDER

Goals

At the conclusion of this unit, the coach will be able to:

- Implement well-structured warm up and cool down sessions, including pre and post stretching for major muscle groups.
- Explain the level of fitness required for Eventing at Level 3 standard competition.
- Plan programmes for the physical development programme suitable for competitive riders at Level 3 Standard.
- Define the components of fitness that contribute to physical performance.
- Explain the working of the cardio-respiratory, muscular and skeletal systems.
- Explain the rules of WADA

UNIT 7 - PHYSICAL FITNESS OF THE HORSE

Goals

At the conclusion of this unit, the coach will be able to:

- Devise well-structured warm up and cool down sessions and list the major muscle groups which the horse will use under the weight of the rider.
- List the normal T.P.R. of the horse and recognise abnormal changes.
- Assess the condition and fitness level of the horse/pony required for Eventing
- Recognise the good and poor conformation points, and how this can affect performance.
- Devise, conduct and evaluate a specific physical training session.
- Recognise and understand unsoundness.

UNIT 8 - MENTAL FITNESS OF THE RIDER

Goals

At the conclusion of this unit, the coach will be able to:

- Evaluate the mental fitness of the rider before, during and after the competition
- Plan, evaluate and facilitate the mental preparation of the participant, with particular reference to goal setting, motivation and arousal (stimulation).
- Devise a strategy to deal with the different mental requirements of the riders
- Recognise and develop a positive, balanced and realistic attitude to Eventing
- Assess and improve reactions of the participant to winning and losing.
- Recognize and record best performances state so that it can be repeated

UNIT 9 - MENTAL FITNESS OF THE HORSE

Goals

At the conclusion of this unit, the coach will be able to:

- Assess and improve the travelling and stabling conditions of the horse in competition
- Explain senses and instincts of the horse and how they differ from the human senses.
- Manage the mental fitness of the horse both in competition and training
- Explain the body language of the horse and how it affects a training and competition.
- Explain the need for mental relaxation of the horse during and after training and competition.
- Assess the mental fitness of the horse for the work he is required to do.
- Devise, conduct and evaluate a session to reduce stress before, during and after training and competition

UNIT 10 - SKILL DEVELOPMENT OF THE RIDER

Goals

At the conclusion of this unit, the coach will be able to:

- Explain the timescale involved in skill development in Eventing for this level. This should be appropriate to age, ability and frequency of practice, and the need for repetition, progression and re-enforcement.
- Implement the basic factors which affect learning.
- Identify and implement the difference between participants desire to learn as opposed to their desire to compete.
- Identify the difference between a skilled and unskilled performer and implement a specific training programme to resolve these issues
- Devise, conduct, evaluate and implement appropriate activities based on an understanding of the core principles related to growth and development.

UNIT 11 – LIFESTYLE

Goals

At the conclusion of this unit, the coach will be able to:

- Advise the participants on dealing with drinks, drugs, recreation, family, sponsors, owners, peer relationships, time management, social life, business and administration management and media
- Advise the participants on the understanding and implication of the Wada's rules
- Advise the participants on nutrition, rest and recreation

UNIT 12 - ROLE OF THE COACH
With Individuals
With Teams

Goals

At the conclusion of this unit, the coach will be able to:

- Apply all the aspects of the FEI code of ethics
- Support the involvement of all riders irrespective of gender, disability, race, religion, or social background
- Further develop the accuracy of the coaches' observation skills with an ability to recognise the factors which influence such observation at this level
- Develop and implement a working strategy based on knowledge of the different approaches to coaching and on personal experience.
- Evaluate the effects of the adopted strategy on the role of the participant.
- Plan, organize, conduct, implement and evaluate sessions including training and competition as part of an annual plan. This will include technical, tactical, mental, physical, lifestyle development at the Train to Compete stages
- Undertake objective analysis of performances using all criteria and methods to provide feedback for selection purposes
- Communicate effectively with participants and other partners in the sporting process.
- Recognise, organize and implement the arrangements for the transition of the participant through the various levels
- Identify overuse, injuries and injury prevention measures which relate to participants at this level
- Provide first aid for a defined range of sport injuries and implement appropriate referral mechanisms
- Have an understanding of the process and time required for rehabilitation from injury for participants
- Explain the legal responsibilities associated with coaching.
- Appreciate the central role of active learning and the need to accommodate for different learning styles
- Employ problem solving techniques for poor performance.
- Encourage riders to participate in Eventing in a fair and ethical way
- Manage the career of the participant in dealing with owners, sponsors, media and equestrian organization
- Have an in-depth knowledge of the way to integrate sport science experts for participants in training and competition at Train to Compete level.

UNIT 13 - PLANNING AND APPRAISAL

Goals

At the conclusion of this unit, the coach will be able to:

- Plan and implement a period of training, with the emphasis on clearly defined phases.
- Develop, implement and conduct a programme of coaching sessions in the context of an annual plan.
- Conduct formal, positive analysis and appraisal of the participant.
- Conduct effectively the planning for competition and the evaluation phases of participation at Train to Compete level.
- Plan and implement programmes with due regard for safety and the legal and ethical responsibilities of the coach.
- Plan and implement strategies to maintain long-term involvement of participants.

UNIT 14 - PRACTICE AND COMPETITION

Goals

At the conclusion of this unit, the coach will be able to:

- Create a positive environment for both training and competition at Train to Compete level
- Maximise the use of available resources
- Involve and supervise assistants.
- Plan and implement coaching and management strategies for a team and individuals at Train to Compete level.
- Manage the career of the participants, both horse and rider
