Points are distributed according to each team's classification among North-Central American & Caribbean teams in the Nations Cup competition according to the following scale:
(The results of teams from outside the North-Central American/Caribbean Region or not declared for this Region are not taken into account for the purpose of point distribution.)

1 st	2 nd	3 rd	4 th	5 th	6 th	7 th	8 th	9 th	10 th	11 th and below
100	90	80	70	60	55	50	45	40	35	0

In case of a tie for any place on the overall Regional classification, teams are separated by:

- giving preference to the team with the greater number of first place classifications; in case there is still a tie the number of second place classifications will count and if necessary the number of third place classifications and so on until the tie is broken.

If after applying this method there is still a tie for any place at the conclusion of the last event of the season, preference will be given to:

- the team with the greater number of clear rounds among the scores counting (i.e. maximum 3 scores per round per team) from each competition throughout the season; if there is still a tie the scores counting (i.e. maximum 3 scores per round per team) for each team from each competition will be added together and preference will be given to the team with the lowest overall score.

Two North-Central American/Caribbean teams will qualify for the 2015 Furusiyya FEI Nations Cup™ Final (CSIO5* Barcelona/ESP, 24-27 September 2015).
