For the purpose of qualification for the 2018 Longines FEI Jumping Nations Cup™ Division 2 qualifier (CSIO5* Budapest/HUN, 9-12 August 2018), Group B NFs may earn points for the FEI Nations Cup Ranking at CSIOs in Division 2 Groups A, C and D and at any other CSIO3*/CSIO4*/CSIO5* in which they participate following the 2017 FEI Nations Cup™ Final until two weeks prior to the 2018 Division 2 qualifier. Only the best four results (the four events with the most points earned) of each NF will be taken into consideration for the FEI Nations Cup Ranking.

Group B NFs will be allocated points for the FEI Nations Cup Ranking as indicated below.

Group B NFs participating in the Nations Cup competition at Division 2 CSIOs in Groups A, C and D will be allocated points according to the point scale for CSIO4* events as the Nations Cup competition at these events must be built to the specifications for CSIO4* established in FEI Jumping Rules Art. 264.3.1.

Group B NFs participating in the Nations Cup competition at CSIOs outside of Groups A, C and D will be allocated points according to the point scale for the star level of the event concerned.

FEI Nations Cup Ranking point scale for allocating points per CSIO as per each team's classification in the Nations Cup competition:

	1st	2nd	3rd	4th	5th	6th	7th	8th	9th	10th	11th - ...
CSIO5*:	120	100	90	80	70	65	60	55	50	45	40
CSIO4*:	100	90	80	70	60	55	50	45	40	35	30
CSIO3*:	90	80	70	60	55	50	45	40	35	30	25

In case Division 2 Group B teams are placed equal with any other team during any of the Nations Cup competitions at CSIOs in which they participate, the points indicated in the relevant point scale above for the places in question are added together and divided equally among the teams concerned, the Group B team(s) thereby obtaining its/their portion of the points. The second decimal place is rounded up from .005 and rounded down from .004.

In case of a tie for any place on the overall Group B classification following the last event counting for the FEI Nations Cup Ranking of Group B NFs (at the latest two weeks prior to the 2018 Division 2 qualifier), teams are separated by:

- giving preference to the team with the greater number of 1st place classifications; in case there is still a tie the number of 2nd place classifications will count and if necessary the number of 3rd place classifications and so on until the tie is broken.

If after applying this method there is still a tie for any place, preference will be given to:

- the team with the greater number of clear rounds among the scores counting (i.e. maximum 3 scores per round per team) from each competition; if there is still a tie the scores counting (i.e. maximum 3 scores per round per team) for each team from each competition will be added together and preference will be given to the team with the
