Eleccion Nomination Committee

To whom it may concern,

Dear Sirs

First of all, let them know that it is an honor to be able to participate in the election of the next representative group 6 for the vacant position of the FEI Nominating Committee.

From a very young age my father motivated me to have contact with one of the noblest animals I have known, that is when I was 8 years old I practice the sport of equestrian jumping.

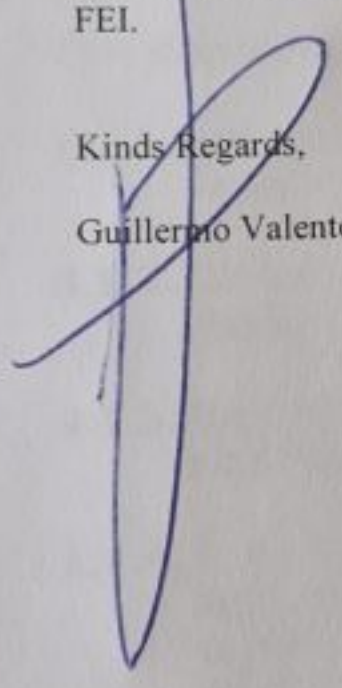

Participate as a youth in many national and international competitions reaching the Junior American Champion with only 17 years over the height of 1.40. Currently and already with 55 years I continue to participate actively in official competitions.

My daughters have given continuity to the equestrian path of their father, currently Lupe my eldest daughter is making the greatest of efforts to be able to integrate the Uruguayan team that will represent us in the Odesor 2022 Games.

I was also a member for several years of the board of directors of the Uruguayan Equestrian Federation, currently my wife is part of that council as an active member, as you will see the whole family breathes the sport with intensity, that is why we will always be willing to collaborate with such a noble institution as the FEI.

Kinds Regards,

Guillermo Valente.
