### 3 Types of Rules

- NF National courses:** using FEI syllabus; may be conducted either by an FEI Level 2 Coach or an FEI Tutor. No FEI contribution.
- FEI National courses:** the total Tutor's fees will be paid to the Tutor by the FEI. The 50% at the NF's cost will be invoiced to the organising NF by the FEI. No FEI contribution to Tutor's travel expenses.
- FEI Regional courses:** the total Tutor(s) fees will be paid to the Tutor(s) by the FEI. \*\*\* **In an FEI Regional course, when the number of coaches from the organising NF exceeds the specified and set quota, the course is considered as an FEI National course and the rules pertaining to FEI National courses apply.** \*\*\*\* **Should the number of application exceed the 10 places available, the FEI will select the final list of participants based on their past evaluation (courses and log books) as well as their application form. If the 10 places are not filled, priority will be given to the Organising NF. Should the Organising NF not be able to fill the empty places, these will be open to all NFs in the same FEI Regional Group (as per the invitation).**

It is at the discretion of the organising NF to cover the accommodation and meals of the participants. In any cases, coffee breaks, lunches and one official reception (closing ceremony & award of certificates) must be covered by the organising NF.

Subsidy towards organisation of FEI National and Regional Courses for Coaches is provided by OLYMPIC SOLIDARITY World Programme for Coaches (Technical courses for coaches) via the National Olympic Committees (NOCs), info on: <http://www.fei.org/fei/your-role/coach/olympic-solidarity-coaches-programme>.

\*\*Only upon presentation of an official letter from the NOC confirming the inability to fund the course, the FEI considers, case by case sharing the Tutor's travel expense.

For NOS courses, no OS subsidy is available therefore the Tutor's fees are 100% covered by the FEI.
