Dear Esteemed Members of FEI Regional Group VIII,

I pen these words with a profound sense of dedication and passion for the equestrian community, a realm that has been the cornerstone of my life for over four decades. As a candidate for the esteemed position of FEI Regional Group VIII Chair, I am honoured to present my candidacy and share my vision for the continued growth and prosperity of our beloved sport within our region.

With a career spanning 40 years, my journey in equestrian sports has been a tapestry woven with dedication, perseverance, and a relentless pursuit of excellence. Beginning as a humble equestrian athlete, I immersed myself in the intricacies of horsemanship, honing my skills both on the field and behind the scenes. Over the years, my passion evolved into a profound commitment to the management and administration of equestrian affairs, driven by a desire to contribute to the advancement of our sport on a global scale.

My experience as both an athlete and a manager has endowed me with a deep understanding of the multifaceted challenges and opportunities that define our equestrian landscape. From navigating the complexities of international competitions to fostering grassroots initiatives that nurture the next generation of riders, I have dedicated myself to promoting the values of inclusivity, integrity, and excellence that lie at the heart of our sport.

Throughout my journey, I have been privileged to cultivate meaningful relationships and forge enduring partnerships within the equestrian community, both locally and across the globe. My international reputation and goodwill serve as a testament to my unwavering commitment to fostering collaboration, dialogue, and mutual respect among stakeholders, transcending boundaries, and uniting us in our shared passion for horses and horsemanship.

If entrusted with the honour of serving as FEI Regional Group VIII Chair, I pledge to harness my wealth of experience, expertise, and enthusiasm to lead our region towards a future brimming with promise and possibility. Together, we will chart a course that celebrates our rich equestrian heritage while embracing innovation and progress, ensuring that every rider, regardless of background or ability, had the opportunity to realize their fullest potential and contribute to the tapestry of our sport.

In closing, I extend my deepest gratitude to each one of you for considering my candidacy. It is with humility and determination that I stand before you, ready to embark on this journey of leadership, service, and stewardship.
