Reminder

Horse substitution(s) by Organising Committees

NFs can authorize the Organising Committee (OC) to make Horse substitution(s) during an Event for Athletes entered by their National Federation.

We draw your attention to the followings:

The OC will be able to substitute and/or add any Horse on behalf of the NF admin.

If a Horse is not registered with the FEI, the OC will be able to register it and the NF admin will be invoiced for such registration.

The NF admin is responsible for all actions carried out by the OC on behalf of the NF in connection with the FEI Entry System.

Delegation of rights to the OC for late Entries only:

Some NFs choose to delegate their rights to the OC for late entries only, which start (xx) days before the Event, for the Jumping Events held in their country. In this case the OC enters home Athletes and Horses administered by the host NF for late entries only, on behalf of the host NF. However, the host NF remains responsible for all Entries made on its behalf (such as but not limited to registrations, late additions, substitutions).

We draw your attention to the followings:

The OC will be able to enter Athletes on behalf of the NF admin (only Athletes which are administered by that NF).

If an Athlete is not registered, the OC will be able to register him/her and the NF admin will be invoiced for the registration.

The OC will be able to enter any Horse on behalf of the NF admin.

If a Horse is not registered with the FEI, the OC will be able to register it and the NF admin will be invoiced for the registration.

The OC will be able to accept/reject Entries on behalf of the NF.

The NF is responsible for all actions carried out by the OC on its behalf in connection with the FEI Entry System.
