

## INFORMATION FOR FEI DRESSAGE AND PARA DRESSAGE STEWARDS

The FEI Dressage and Para Dressage department would like to inform you that following questions received regarding FEI Dressage and FEI Para Dressage Rules, that safety stirrups with an open branch (similar to those pictured below) will be allowed for use in FEI Dressage and FEI Para Dressage competitions in 2019. This will be proposed as a rule amendment for 2020.
