Recommendation - Automatic discussions with Athletes involved in a Horse fall.

Following any Horse Fall on Cross Country, a systematic interview/discussion will need to be place between the Athlete and the Ground Jury (President or Member) and/or the Technical Delegate. The aim is educational to understand the circumstances to learn for the future - Horse falls are a serious risk factor for athlete, horse and our sport and need to be minimised. The discussion is to be recorded in the Judge and/or TD report (a section will be added in the reports).

Thank you! Any questions?
