

FEI Courses for Coaches According to the FEI Coaching System Level 1 Course for Coaches

San José (CRC): 26-29 August 2016
FEI Tutor: César Tavard (DOM)

After many years Costa Rican Equestrian Federation convenes a Regional First Level Coaching System Course, with participation from Costa Rica, El Salvador and Cuba.

The course was held at the Club Hípico La Caraña in our capital city, San José, from August 26th thru 29th, 2016. During these four days coaches representing equestrian clubs from San José, plus three foreign coaches who accompanied us, had the opportunity to share experiences and absorb all the knowledge that Mr. César Tavard, the course tutor, gave them.

The comments of approval received from the participants, fill us with the pride of a job well done and leave an open door for our coaches to keep a professional path in their careers.

They finished the workshop learning the proper use of the tools this coaching system provides and we are sure that they will begin to achieve all the objectives which they intend working with structure and discipline.

Hopefully we will be able to continue supporting our coaches, our riders and our sport, by organizing courses of such a high level as this one. We would like to thank the FEI and Mr. Tavard for the opportunity they gave us to accomplish this goal, the coaches who proved to the NF the importance of organizing this course and all the people involved in making this course such a huge success.
