

FEI Courses for Coaches According to the FEI Coaching System Level 1 Dressage and Jumping Course for Coaches

Zagreb (CRO): 23.-27. March 2017.
FEI Tutor: Mr. Dimitris Drakakis (GRE)

The Croatian National Federation hosted the Level 1 Course for Dressage and Jumping Coaches, on 23. - 27. March 2017. at the "Equestrian center St. Juraj" in Mala Mlaka.

The lecturer of the course was Mr. Dimitris Drakakis from Greece, a very experienced FEI tutor, trainer and a show jumper competitor. The National Federation has provided the best possible conditions for maintaining all the course needs and has gathered 14 coaches. It was a unique opportunity for all coaches from different country districts to learn and work together.

The course was held for the first time with one more additional day (5 days instead of 4) and some topics from the Level 2 came in this level.

The course was very successful and the tutor with his great energy pulled out the maximum of every candidate.

The coaches worked together and helped each other all the time, 5 days passed very quickly because of the variety and interestingness of the topics and the interactive way Mr. Drakakis was lecturing.

The National Federation will organize the FEI course again as it has been doing it successfully for some years and the response of the coaches will be big as every time.
