

Paris 2024 Eventing cross-country operational test & Equestrian Olympic and Paralympic Update in August 2023

Dear National Federations,

Following the first communication regarding the Paris 2024 cross-country operational test, please find below some additional information including **the registration link**.

Day 1 programme: 22 August 2023

- Observation of ground preparation with selected horses testing parts of the cross country track, including stability testing of one pontoon across the Grand Canal and a few obstacles
- Possibility for delegations to visit the Château de Versailles park and presentation of latest venue plans
- Questions & answers on site

Location : Château de Versailles (cross-country course)

Visit is planned to start in the morning / it is advised to arrive in Versailles the day before

Day 2 programme: 23 August 2023

Update on the Paris 2024 Equestrian project and Q&A opportunities. The objective will be to present the main organisational, logistical, technical and sport principles of the equestrian and para equestrian competitions. A detailed agenda will be shared with the participants closer to the seminar

Location (confirmed): Novotel Château de Versailles (4 Bd Saint-Antoine, 78150 Le Chesnay-Rocquencourt) + possibility to join remotely, further information to be provided Seminar is planned to end at 16.00 at the latest

Registration : [link to register](#) (registration through this link mandatory to attend the event)

Number of participants: For logistical purposes and to ensure the best flow of information possible, the number of participants will be limited to 2 representatives per country (NOCs, NPCs, NFs). In case of spaces availability, registration will be open to additional representatives per country.

Deadline to register: Friday 9 June 2023

Accommodation: Accommodation is at the participants charge. In order to facilitate your arrangement, pre-bookings have been made at the following hotels (see instructions below for the bookings)
