Eligibility Criteria - List of 2021 Competitions (V9 - Complete)

Please refer to the revised Qualification System for Jumping - Games of the XXXII Olympiad available via:
<https://inside.fei.org/fei/games/olympic/tokyo-2020>

Should qualifying Competitions, upon receipt of the course plan following the Event, not comply with the requirements for obstacles and dimensions as laid down in the Qualification System, they will no longer be considered as Competitions where Athletes and Horses may achieve the Minimum Eligibility Requirements (MER).

Athletes/Horses must achieve, as a combination, the MER at selected Events which take place from 1 January 2019 until (and including) 21 June 2021.

**An Athlete/Horse combination that has achieved the full MER only during the period 1 January 2019 to 31 December 2019 (inclusive) must achieve an additional 'Confirmation Result' during the period 1 January 2020 - 21 June 2021.*

**An Athlete/Horse combination that has achieved the full MER during the period 1 January 2020 to 21 June 2021 (inclusive) does not need to achieve a Confirmation Result.*

**An Athlete/Horse combination that has achieved a partial MER during the period 1 January 2019 to 31 December 2019 (inclusive) must complete their MER by the MER Deadline (21 June 2021). Such Athlete/Horse combination does not need to achieve a Confirmation Result.*

**An Athlete/Horse combination that has not achieved any MER (either full or partial) during the period 1 January 2019 to 31 December 2019 (inclusive) must achieve their MER by the MER Deadline (21 June 2021). Such Athlete/Horse combination does not need to achieve a Confirmation Result.*

The **Grand Prix / World Cup / Nations Cup** Competition at the following Events counts as a Competition where Athletes and Horses, as a combination, may achieve the MER unless indicated otherwise in the comments section, provided the course is built to the dimensions established under paragraph C-6.1 of the Qualification System for Jumping.
